MaxExpress Basic Installation

\$699

The MaxExpress Basic Installation Package will help you install and get started setting up and using your Maximizer CRM system. Working with your Maximizer CRM expert advisor, this professional services package will ensure that your system is set up properly from the start — as quickly and efficiently as possible.

Working with your Maximizer CRM expert advisor, the package consists of the following services:

- A pre-upgrade/installation phone call to verify that the necessary hardware and software is available.
- Guidance through the server installation of Maximizer CRM components for one access method (Windows Desktop, Web or Mobile).
- Direction through known considerations when installing dependant components.
- Assistance in the installation of a client workstation for the access method of your choice. The knowledge transfer conducted ensures that you can independently setup all of your workstations.
- Dedicated time for your questions on how best to use Maximizer CRM in your environment.
- A pre-scheduled follow-up 15 minute phone call with your CRM advisor over the following 30 days to answer any new questions.
